Please indicate your reason for choosing to volunteer with Oneday Dreams

Depending upon what position you are applying for, a police clearance and/or resume may be required.

Information contained herein will not be shared or sold. This form will be shredded after 5 years.

A person who wishes to volunteer at an event held by or on behalf of Oneday Dreams must first complete this volunteer application form and submit via email to info@onedaydreams.ca. A Oneday Dreams representative will review the application to determine whether the applicant's volunteering goals, and skillset are compatible with those of our organization. Successful applicants will be placed into a pool of volunteers to be called upon, as the need arises, to participate in various functions, which may include assisting with logistics during a dream fulfillment event. The review process for volunteer applicants who also wish to be considered for membership to a Oneday Dreams committee will include a virtual interview by a selection panel. The decision to accept or decline an applicant remains the sole prerogative of Oneday Dreams.
