What is **Oneyday Dreams**?

Oneyday Dreams is a national charity founded right here in Windsor Essex! The charity serves Canadian adults living with a terminal illness by facilitating end-of-life dreams that offer joy, inspiration, and comfort while focusing on life and living. Our charity strives to reach medically eligible adults in Canada who are at least 18 years of age, have a life expectancy of one year or less, and lack the resources or finances to achieve the dream on their own. We have granted wonderful dreams such as a trips to Niagara Falls, going to a Leafs game for the first time and even getting a special message from an idol like The Backstreet Boys or Connor McDavid!

What is **Framed Dreams Live Art Auction**?

Framed Dreams is a curated visual art experience that transforms local art into tangible hope. Through the live auction of donated photographic and artistic works, the event raises critical funds to help fulfill end-of-life dreams for terminally ill Canadians through Oneyday Dreams.

Local and award-winning photographers and artists have come together with a shared purpose: to donate some of their most meaningful work in service of something greater than themselves. Each image, each piece, becomes more than art—it becomes a catalyst for compassion, turning creativity into moments of joy, dignity, and comfort for individuals facing the final chapter of life.

The proceeds from the event directly support Oneyday Dreams, a Canadian charity dedicated to fulfilling meaningful dream wishes for adults living with a terminal illness—individuals who often have far less time than the rest of us, and limited means to realize these final hopes on their own.

dreams come true

Robert, a devoted Montreal Canadiens fan, dreamed of experiencing a home game in Montreal with family. He also met Canadiens centre Alex Newhook.

Tammy's dream was to celebrate 21 years of love with her husband, Dave, by renewing their wedding vows, surrounded by family and friends. Oneyday covered the costs to ensure the venue was beautifully decorated with flowers, arches, and centerpieces. We also provided appetizers and desserts for all guests.

Alex's dream was to go to Fan Expo in Toronto with his best friends! We supplied passes, hotel rooms and costumes!
